

For Immediate Release

## Konica Minolta BizHub 423/363/283/223 Series Training

RS, a division of RS Business Machines, Inc., announces that Brian King has recently completed a 5-day training at Konica Minolta's training facility in Duluth, GA. Brian's training focused on the BizHub 423/363/283/223 series of black and white office multifunction devices, including installation, operation, maintenance and troubleshooting of the base machines and various options. Brian recently celebrated 13 years of employment with RS.
